

SUPPORT EASTERN ATHLETICS

The Eagle Club was created to support growth in facilities and enhance the athletic experience for student-athletes and their families. Through the first six years of the Eagle Club, generous donors have helped lead to the completion of several large projects, and the Eastern Athletic brand has increased in prominence and prestige in our region.

Together, we can have a positive impact for our 20 sports teams
and over 300 student-athletes!

THE IMPACT OF YOUR INVESTMENT

The Eagle Club improves the student-athlete experience for all 20 sports teams. Unrestricted gifts will be directed to the General Athletics fund, benefitting and supporting special projects and trips, as well as strength and conditioning training.

Eastern University's fiscal year ends June 30th. To make a gift:

Mail a check payable to Eastern University Athletics in the enclosed envelope

Call **610-341-5930**
